A front-end web-based project implemented in **HTML5, CSS3** with responsiveness.
Repository Link: https://github.com/Maham-Wajid/FoodOrderWeb.github.io.git
Deploy link: https://maham-wajid.github.io/FoodOrderWeb.github.io/

Website Pages (Frontend)
I have also done front-end based web works, like different font-end web pages, websites, etc., you can check in my portfolio.
Repository Link: https://github.com/Maham-Wajid/Web-Projects.git

Hostel Management System (Full Stack Website)
A complete web-based project, implemented using **HTML5, CSS3, Bootstrap5, JavaScript, little bit jQuery, AJAX, PHP MySQL**, and using Xampp server as localhost, to manage the record of hostel residents, attendants and admin.
Repository Link: https://github.com/Maham-Wajid/Hostel-management-system.git

Online orders: (Frontend)
The repository contains all the orders on which I have worked using **HTML5, CSS3, JavaScript, jQuery, Bootstrap5.**
Repository Link: https://github.com/Maham-Wajid/online-orders-work-repo.git

UI/UX Design project (figma design)
I have designed a mobile application design with complete process involving mood board, pattern library, sites maps, wireframe and prototype. The tools I use are figma and adobe xd.
Figma Link:
https://www.figma.com/proto/N4vw3AyfMMKOUpoAsWLCxB/UI-Ux-Assignment%2303?node-id=104%3A3&scaling=scale-down&page-id=0%3A1&starting-point-node-id=104%3A3&show-proto-sidebar=1
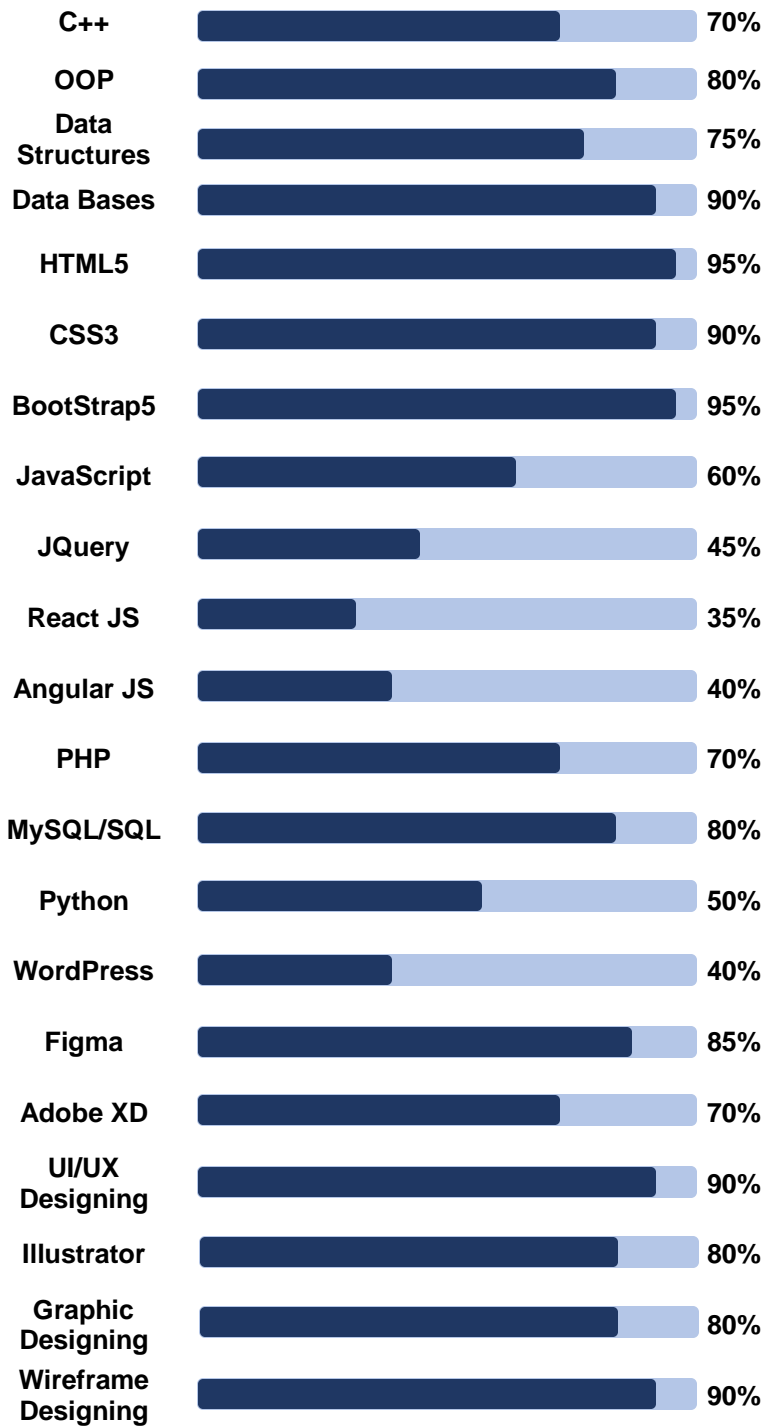

Graphic Designing works
I have also done work on graphic Designing using Adobe illustrator tool. I have designed book covers, pamphlets, banners, and posters, etc.
Repository Link: https://github.com/Maham-Wajid/graphic-designing-work.git

WORK EXPERIENCE
I have **official work experience in freelancing** of less than 6 months. I can build websites in a proficient way and in less amount of time. Moreover, **I am not a domain specific developer. I am willing to learn and work on new technologies also.** I have also worked on ui/ux designing, web designing and graphic designing. I also have good problem-solving skills. I can even work under the complex deadlines efficiently.
